# ANIMAL INDEX

The Animal Index includes the Taxonomic Index, which shows the physical arrangement and the Common Name Index, which lists common names.

## Taxonomic Index

### **PROTOZOA**

Sarcodina

Mastigophora

Sporozoa

Ciliata

### **PORIFERA (Sponges)**

Calcispongiae

Hyalospongiae

Demospongiae

### **COELENTERATA**

Hydrozoa (Hydroids)

Scyphozoa (Jellyfish)

Anthozoa (Anemones, coral, sea fans)

### **CTENOPHORA (Comb jellies)**

### **PLATYHELMINTHES**

Turbellaria

Trematoda

Cestoda

### **NEMERTINEA**

### **NEMATHELMINTHES**

Nematoda

Acanthocephala

### **ROTIFERA**

## **Taxonomic Index (Continued)**

### **BRYOZOA**

### **BRACHIOPODA**

### **ANNELIDA**

Chaetopoda (Sandworms, earthworms)

Archiannelida

Hirudinea

Gephyrea

### **ARTHROPODA**

Crustacea (Lobsters, crabs, shrimp, barnacles)

Onychophora

Chilopoda (Centipedes)

Diplopoda (Millipedes)

Insecta (Insects)

Arachnida (Spiders, scorpions, ticks)

### **MOLLUSCA**

Amphineura (Chitons)

Gastropoda (Univalve mollusks; snails, abalone, nudibranchs)

Scaphopoda

Cephalopoda (Squids, octopuses)

Pelecypoda (Bivalve mollusks; clams, mussels, scallops)

### **ECHINODERMATA**

Crinoidea

Asteroidea (Sea stars, bat stars)

Ophiuroidea (Brittle stars)

Echinoidea (Sea urchins, sand dollars)

Holothurioidea (Sea cucumbers)

## Taxonomic Index (Continued)

### CHORDATA

Enteropneusta

Tunicata

Cephalochorda

Vertebrata

Cyclostomata

Agnatha (Lampreys)

Elasmobranchii

Chondrichthyes (Cartilaginous fish; sharks, rays, chimaeras)

Pisces

Osteichthyes (Bony fish, sailfish)

Amphibia

Caudata (Salamanders, newts)

Salienta (Toads, frogs)

Reptilia

Crocodylia (Crocodiles, alligators)

Testudines (Turtles, tortoises)

Lacertilia (Lizards, geckos)

Serpentia (Serpents)

Aves

Gaviiformes (Loons)

Podicipediformes (Grebes)

Procellariiformes (Albatross, petrels)

Pelecaniformes (Pelicans, cormorants)

Ciconiformes (Egrets, herons, flamingos)

Anseriformes (Ducks, geese, swans)

Falconiformes (Vultures, hawks, falcons, kites, eagles)

Galliformes (Grouse, quail, turkeys)

Gruiformes (Cranes, coots, rails)

Charadriiformes (Shorebirds, gulls)

Columbiformes (Pigeons, doves)

## **Taxonomic Index (Continued)**

Cuculiformes (Roadrunners, cuckoos)

Strigiformes (Owls)

Caprimulgiformes (Nighthawks, poorwills)

Apodiformes (Hummingbirds, swifts)

Coraciiformes (Kingfishers)

Piciformes (Woodpeckers, sapsuckers, flickers)

Passeriformes (Perching birds)

### **Mammalia**

Monotremata (Egg-laying mammals)

Marsupialia (Opossums)

Insectivora (Moles, shrews)

Chiroptera (Bats)

Lagomorpha (Pikas, hares, rabbits)

Rodentia (Rodents; beavers, muskrats, voles, porcupines)

Cetacea (Whales, dolphins, porpoises)

Carnivora (Carnivores; coyotes, bears, cats, dogs, weasels)

Pinnipedia (Seals, sea lions)

Perissodactyla (Odd-toed ungulates; horses, donkeys)

Artiodactyla (Even-toed ungulates; deer, elk, sheep, goats)

## COMMON NAME INDEX

All images are located at Photographic Archives in West Sacramento.

### Common Animal Names

Abalone	Bluegills	Coral
Albatross	Bobcats	Coyotes
Alligator	Brants	Crabs
Alligator lizards	Buffalo	Cranes
Anemones	Bullfrogs	Crappies
Antelope	Bullheads	Crayfish
Antlions	Burros	Crows
Ants	Bushtits	Cuckoos
Aphids	Butterflies	Deer
Avocets	Caterpillars	Dolphins
Badgers	Catfish	Doves
Barnacles	Centipedes	Dowitchers
Bass	Curlews	Dragonflies
Bats	Chickadees	Ducks
Bears	Chickens	Eagles
Beavers	Chipmunks	Earthworms
Bees	Chitons	Eels
Beetles	Chuckwallas	Egrets
Birds	Cluckers	Elk
Bison	Cod	Falcons
Bitterns	Comb jellies	Fish
Blackbirds	Condors	Flat fish
Bluebirds	Coots	Flies

## Common Animal Names

Flycatchers	Jackrabbits	Moths
Foxes	Jays	Mountain lions
Frogs	Jellyfish	Mudhens
Fulmars	Katydids	Murrelets
Garter snakes	Killdeers	Murres
Geckos	King snake	Muskrats
Geese	Kingbirds	Nuthatches
Gila monsters	Kingfishers	Octopuses
Godwits	Kinglets	Opossums
Gopher snakes	Kites	Orioles
Gophers	Ladybugs	Ospreys
Grasshoppers	Lampreys	Otters
Grebes	Lizards	Ouzels
Grouse	Lobsters	Owls
Grunion	Loons	Oystercatchers
Guillemots	Magpies	Peanut worms
Gulls	Marmots	Pelicans
Hawks	Mayflies	Penguins
Hérons	Meadowlarks	Perch
Hornbills	Mice	Phoebes
Horned lizards	Millipedes	Pigeons
Horses	Mockingbirds	Pipits
Hummingbirds	Moles	Platypuses
Hydroids	Mollusks	Plovers
Insects	Moose	Poorwills
Invertebrates, misc.	Mosquitos	Porcupines
Prairie dogs	Sea cucumbers	Swallows
Praying mantises	Sea horses	Swans

## Common Animal Names

Pronghorns	Sea lions	Swifts
Pupfish	Sea urchins	Tanagers
Quail	Seals	Termites
Rabbits	Sharks	Thrushes
Raccoons	Sheep	Ticks
Rails	Shrews	Titmice
Rats	Shrikes	Toads
Rattlesnakes	Shrimp	Tortoises
Ravens	Sidewinders	Towhees
Rays	Skunks	Trout
Red snappers	Slugs	Turtles
Ringnecked snakes	Snails, sea	Vultures
Roadrunners	Snakes	Warblers
Robins	Snipes	Wasps
Rockfish	Sparrows	Water bugs
Rodents	Spiders	Water striders
Rubber boas	Sponges	Waxwings
Salamanders	Squid	Whales
Salmon	Squirrels	Willetts
Sand dollars	Starfish	Wolves
Sand worms	Starlings	Woodpeckers
Sanderlings	Stilts	Wrens
Sandpipers	Sturgeon	Zebras
Scorpions	Sunfish
